

Score Candy

Words and music by G.E. Pichler

Verse I

Mind, It's just a cold stone's throw

Body, It's the last frontier

Sole, I'm the only one to know

Chorus

You got to score candy, feed it to your fancy

Score candy, when you're feeling antsy

Score candy, coming to terms with it

Score candy, walk the manic frenzy

Verse II

Earth, regress back to birth

Wind, absolution from sin

Fire, quench my desire

Verse III

Eat, keep on your feet

Drink, not to excess, think

Dream the extent of the scene
